Mr. Moss Lee Innes, c/o U.S. Embassy, Ottawa, Ontario.

Dear Sir:

Attached is a copy of a letter dated March 18, 1970 which was received from Mr. Edward MARZOA of Radio Station WJWL in Georgetown, Delaware and a copy of our reply to Mr. MARZOA dated April 21, 1970.

According to the February 20, 1970 edition of the Telegram (Toronto daily newspaper), Mr. Ritchie YORKE of Toronto, Ontario was endeavouring to set up a "Peace Network", being a loose organization of radio stations aimed at promoting the July 3/5, 1970 Mosport Peace Festival at Mosport, Ontario.

(PJD)

The Mosport Peace Festival was initiated by John LENNON (of Beatle fame) and his wife, while visiting Canada during December 1969. To facilitate the "peace festival", which in fact would be a youth orientated rock festival, Ritchie YORKE and John BROWER both of Toronto, Ontario, were engaged as advertising and expediting co-ordinators for promotion of the "festival". The Mosport location for the "festival" was recently vetoed by the Ontario Municipal Board and at the present time it is not certain whether the "festival" will proceed at some other location.

4. Should Mr. MARZOA contact your Agency, you may verbally pass the information contained in paragraphs 2 and 3 to him.

(J.E.M. Barrette), Issistant Commissioner, Director, Security and Intelligence.

Dear Sir:

This will acknowledge receipt of your letter dated March 18, 1970 concerning the lobbying of a youth delegation under the auspices of "Peace Station Network" of 120 Avenue Road, Toronto 5, Ontario for the purpose of having WJWL broadcast 5-minute "peace" programs.

We regret that we are unable to supply you with the information which you requested, as government policy requires us to liase with the Federal Bureau of Investigation in matters related to enquiries of this nature. We therefore suggest you redirect your enquiry to the Federal Bureau of Investigation.

Gentlemen:

aciezions on inis document were made at the reques

Canadian Security Intelligence Service

WJWL has been approached by the Peace Station Network of I2O Avenue Road, Toronto 5, Ontario, Canada, to marticipate in a network of stations broadcasting 5-minute "meace" programs.

On a telephone listener opinion program on VJWL, I read the proposal, then solicited listener response to the question of whether VJWL should or should not air the "peace" programs.

The response was overwhelmingly against such programming. INO pradvised the Peace Station Network to remove WJWL and our FM affiliate, WSEA from their mailing lists.

I was subsequently approached by a youth delegation with hets ition in hand claiming the station was unfair in refusal of time. We were abrogating the constitutionally guarantee of freedom of expression. I tried to explain that this was a Canadian organization, with no claim to any U.S. rights. Not satisfied, they claimed it was "their right to hear" that I was infringing on. Well, to head off any prolonged debate, I agreed to listen to a tape from the Peace Station Network people if they would procure one. After so reviewing same, we would make a final judgement.

The nurnose of this letter is not to solicit any program recommendation from your organization. It is rather, to ascertain if the Royal Canadian Mounted Police has any information which may shed some light on the Peace Station Network. I would like to know who the officers are; what their nurnoses are; how they are financed; and why the Canadian base. I have my suspicions.

The decision of course is mine. I would appreciate however, something more concrete than my intmition to support who tever that decision may be.

I would appreciate an early response.

Sincerely,

Sleven Marson

Edward Marzoa

ELECTION YEAR STRATEGY INFORMATION CENTER (EYSIC)

NEW "NEW LEFT" GROUP FORMED

Operating under the cumbersome title of Election Year Strategy Information Center is a new organization which has been formed to direct New Left protest activities during the 1972 election year, with these efforts geared to culminate in massive demonstrations at the Republican National Convention in San Diego in August. Before finally settling on this name, EYSIC was known both as the Allamuchy Tribe and the International News Service, names which some members of the group still occasionally use. Organizers of this band of activists are seasoned veterans of protest: Rennie Davis, Jerry Rubin, Stewart Albert, and Jay Craven. (Genfibential (L)

Finances do not seem to be an immediate problem for EYSIC since John Lennon, formerly with The Beatles musical group, has reportedly contributed \$75,000 to this embryonic organization. Lennon's money and name have placed him in a position o considerable influence in EYSIC--no key planning sessions are being held without Lennon (pictured at left) the Lennon, a British subject, has also taken steps to acquire American citizenship. (CGNEIDENTIAL)

EYSIC is headquartered in New York City in space rented in a warehouse on Hudson Street. Plans are being generated there to get EYSIC members to appear at major primary elections in 1972 to confront the candidates with the "New Left message" and to additionally encourage individuals to travel to

San Diego to demonstrate in August against the Republican Party.

Jerry Clyde Rubin

GATE 6/41872

On February 22, 1972, Jerry Rubin appeared on the Mike Douglas Television Show which was aired on Channel II, Columbia Broadcasting System, from 4:30 p.m. to 6:00 p.m. John Lennon, formerly with the Beatles musical group, and his wife were co-hosts on this show. This program was tape recorded and pertinent statements made by Rubin are included in this memorandum.

Mike Douglas introduced Jerry Rubin stating his feelings were quite negative concerning Rubin but that John Lennon wanted him on the show.

John Lennon stated that Rubin was not at all like his image as he and his wife were not like their image. He stated he found something in Rubin that was artistic.

Mike Douglas asked, "What is Jerry Robin thinking about these days?"

Rubin stated, "Glad you asked that! We're going to support Nixon for President, because by going to China he is furthering communist revolution throughout the world, and also encouraging communism at home. Anything to get elected! Even though it's not appreciated by the right wing, it's appreciated by the left.-I'm just kidding! What he has really done is automate the war in Vietnam so that its machines killing people create a situation where 43 people can be murdered at Attica, create a situation where four kids can be killed at Kent State and people are afraid. The atmosphere of the country is one of his debts. I think the administration did this, and he is the symbol of it. And so I'm working very hard with people all over the country to defeat Nixon."

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FE). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed of the your agency.

1XXXIII)

Jerry Clyde Rubin

When questioned about the "Movement," Rubin stated that "the way the movement has changed is the pressure is so heavy that if anybody does anything, gets arrested, jailed, killed, that people are very pessimistic."

Douglas stated he had heard that Rubin was against drugs and this was the reason he was in favor of having him on the program. Rubin stated he was not against drugs but against heroin Rubin stated, "the police are the protectors of the heroin trade, and heroin is used against Black people and against some white people right now, as a killer drug. Too many young kids are taking downers and heroin, because they see no future for themselves in this country, they see no hope in changing the country, they see no decent life in which they can be creative and express themselves, so they shoot into their veins and take a pill. And that's the society's fault, as it offers no alternative. As a revolutionary movement, we've got to give an alternative."

When questioned about voting, Rubin stated that all young people should vote as a block, just like women should vote a block. "We've got to get Nixon out of the White House because we've got to stop the automated war in Vietnam. It's power if we vote together. We shouldn't vote for any candidate that doesn't automatically withdraw everything from Vietnam. And we ought to go to both Conventions in Miami and San Diego and non-violently make our presence felt-and stand on the issues. If we do anything any other way, we'll be killed."

When questioned as to what he thinks is right in this country, Rubin stated that what's right is the fact that there are people in the country who want to change it. He stated that what he thought was beautiful about it, is that the children of America want to change the country and are going to.

YOUTH ELECTION STRATEGY, ALSO KNOWN AS PROJECT "YES"

On February 3, 1972, a confidential source advised that a group headed by RENNARD CORDON DAVIS, also known as Rennie Davis, is in its first phase of planning for disruption at the Republican National Convention (RNC) to be held in San Diego, California, from August 21 - August 23, 1972. According to this, source, DAVIS and other associates from the People's Coalition for Peace and Justice (PCPJ) recently moved from Washington, D. C. to New York City.

RENNARD CORDON DAVIS is a convicted defendant of the so-called Conspiracy 7 Trial, Chicago, Illinois, in the period September, 1969 - February, 1970, involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

PCPJ in a press release dated March 1, 1971, described itself as being head-quartered in Washington, D. C. and consisting of over 100 organizations which are using massive civil disobedience to combat racism, poverty, repression and war.

According to this source, the plans for San Diego include rock concerts featuring JOHN LENNON, formerly of the Beatles rock music group, and his wife, YOKO ONO, as the main crowd drawers backed up by lesser rock group talents.

It was further related by this source that dates have been reportedly been arranged in Florida and New Hampshire and the concerts will include speeches by JERRY RUBIN and RENNIE DAVIS, along with LENNON who will urge the audience to (a) register to vote; (b) work for the legalization of marijuana; and (c) get to San Diego for the GOP Convention.

This source further stated that conflicting reports make it difficult to analyze the proposed activities of JOHN LENNON at this time. While this source indicates LENNON may be coming to San Diego, other indications are that he will perform along the East Coast only and contribute a portion of his proceeds to the San Diego Convention Coalition.

JERRY RUBIN is a convicted defendant of the so-called Conspiracy 7 Trial, Chicago, Illinois, in the period of September, 1969 -February, 1970, involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

SDCC is a group comprised of representatives of various radical groups in San Diego, California, which was formed for active opposition to the United States Government through "serious, determined, and long term social upheaval."

The aforementioned confidential source, along with other confidential sources familiar with certain phases of New Left activity in the San Diego area, advised

YOUTH ELECTION STRATEGY, ALSO KNOWN AS PROJECT "YES"

on February 24, 1972, that information has been received in San Diego regarding proposed activities of a group headed by RENNIE DAVIS and including JOHN LENNON in connection with the RNC but no specific information has been received regarding any such activities under the name of Election Year Strategy Information Center (EYSIC) or Youth Election Strategy, also known as Project "Yes."

EYSIC is a group formed from meetings held at the Peter Stuyvesant Farm, Allamuchy, New Jersey, during December, 1971. The group is headed by RENNIE DAVIS and was organized for the purpose of directing New Left activities during the election year and to culminate with demonstrations at the 1972 RNC. On January 28, 1972, the group changed its name from Allamuchy Tribe to EYSIC.

Youth Election Strategy, also known as Project "Yes," is the video-tape arm of EYSIC which will eventually attempt to purchase the Liberation News Service in New York City. This group is controlled by JOHN LENNON, RENNIE DAVIS, and JERRY RUBIN, who are also key figures in EYSIC. They will make the contacts for video tapes, films, special events, and entertainers to raise money for the group to finance demonstrations in opposition to the RNC.

Liberation News Service (LNS) publishes news packets in New York City on a weekly basis and the packets are sold to radical New Left underground newspapers.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On February 20, 1970, Davis received 23 individual and separate criminal contempt citations regarding the above trial, and was sentenced to serve two years, one month and nine days regarding these citations.

Davis was incarcerated February 14, 1970, Cook County Jail, Chicago, and released on \$25,000 bond on February 28, 1970, pending trial. During January, 1971, Davis organized the MDC at Washington, D.C. to exert an influence on the PCPJ policies concerning the planning of a massive anti-war demonstration at Washington, D.C. during May, 1971.

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese Communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

MDC

The MDC in New York City (NYC) is publicly known as an organization that participated in demonstrations in Washington, D.C. during the first week in May, 1971, sponsored by the PCPJ.

PCPJ

The PCPJ is self-described as an organization consisting of lover 100 organizations using massive civil disobedience to combat war, racism, poverty and repression. Its National Office is located at 156 5th Avenue, NYC, Room 527.

On January 24, 1972, the first source advised that John Winston Lennon, who was formerly associated with the Beatles Music Group, donated \$75,000 and donated \$15,000 to the group to finance their activities.

Mary Boulton

Mary Boulton is the widow of the late Frank
Bancroft. The now defunct "New York Journal American"
in its November 28, 1952 issue, carried an article
entitled, "Oust Teacher, Wife of UN Aide." This
article related that the wife of Frank Bancroft,
a United Nations Executive that was suspended for
refusal to answer a question if he was a communist,
had lost her substitute teacher's license in the
State of New York. The article related that her
husband had been subpoenaed by a Federal Grand Jury,
later for appearance before a Senate Internal
Security Subcommittee. The article further related
that Mrs. Bancroft had failed to appear when she
was summoned for questioning concerning a Board of
Education Probe into Communism.

On January 27, 1972, a third source, who has furnished reliable information in the past, advised that during December, 1971, a group of individuals calling themselves the Allamuchy Tribe had met in Allamuchy, New Jersey to discuss plans for coordinating demonstrations at the Republican National Convention in San Diego, California in August, 1972. The group included Carole Sue Cullem, Carol Mildred Kitchens, Michael Alan Drobenare and other individuals unknown to him who were members of the PCPJ in Washington, D.C. that had traveled to New Jersey for this particular meeting. with Stewart Albert and Rennie Davis, Jerry Rubin appeared to be in leadership at the meeting.

Jerry Rubin

On February 18, 1970, Jerry Rubin was found guilty in United States District Court, Northern District of Illinois, Chicago, Illinois for violating the Federal Antiriot Law Statute for traveling in interstate commerce from outside the State of Illinois with intent to incite riots in Chicago, Illinois during the Democratic National Conventions in August, 1968. On February 20, 1970, he was sentenced to five years imprisonment and fined \$5,000. On February 28, 1970, the United States Court of Appeals, Seventh Circuit, Chicago, Illinois, ordered him released on \$25,000 bond, pending appeal of his conviction.

Jon January 28, 1972, the first source advised that the group formerly known as the Allamuchy Tribe had changed its name to the "Election Year Strategy Information Center" (EYSIC). This change was made as to be "more effectively known, since the general public would soon become aware of its anti-Republican National Convention activities."

On February 2, 1972, the first source advised that a meeting had been held at the Washington Square Methodist Church in NYC on January 29, 1972 to further discuss officers and finances of EYSIC. The group decided that a permanent staff of officers would be set up in the near future and that the officers would receive \$125 per week salary

On February 2, 1972, a fourth source, who has furnished reliable information in the past, advised that Christine Johnson, Noreen Banks, Allan Alpern, Mike Weber, and Winslow Peck, who are all members of the PCPJ in Washington, D.C., transferred to the PCPJ office in NYC to work on the EYSIC project. All of these individuals were to stay with Thomas Hirsch at Apartment 9E1, 600 West 111th Street, NYC. Tom Hirsch is also associated with the PCPJ in NYC.

On February 17, 1972, the first source advised that individuals with EYSIC had formerly planned on using a warehouse on the corner of West 10th Street and Hudson. Avenue in NYC as their headquarters. However, they had abandoned the idea due to the warehouse space being in such dilapidated condition. The source advised that at the present, Jerry Rubin, Stewart Albert and John Winston Lennon are working in office space at the Global Village, which is a TV media type of organization in NYC. They are coordinating plans to purchase the Liberation News Service (LNS) in NYC and use its wire services and mailing list to expand the activities of EYSIC. This group, a segment of EYSIC is calling itself the Youth Election Strategy (YES), and it has the financial backing of Lennon.

<u>LNS</u>

The LNS is self-described as an underground news wire service with headquarters in NYC which publishes news packets weekly that are sold to radical New Left underground newspapers. It was founded in 1967 and reportedly has a paid circulation over 600.

On February 23, 1972, a fifth source, who has furnished reliable information in the past, advised that the Global Village is located at 454 Broome Street, NYC. The source further advised that several members of EYSIC are making plans to form a musical band to travel to several election primaries. They will eventually travel to San Diego, California to participate in demonstrations at the Republican National Convention.

Irish

A meeting of the committee against internment in Northern Ireland took place at the Irish Institute at 326 West 48th St., at 4:05 PM.

An amendment to the purpose of the group was made, so that the body was now not just against internment, but also for the immediate withdrawel of British troops from Northern Treland.

A speaker from the floor asked that the purpose of the body be amended to include support for the Irish Republican Army in money and even in guns. This motion wasn't even accepted by the chair, and the gentleman declared he would leave the meeting.

A steering committee was set up after much discussion and argumentation. The original committee contained two representatives from the following clubs: Irish Republican Clubs, Northern Aid Committee, National Association for Irish Freedom, and the American Committee for Ulster Justice.

Members of the Socialist Workers Party were present, and they came into the meeting as a unit and argued the following points: "with four organizations it's packed (the steering committee)...the steering committee must be broad, the four organizations have shown that they can't cooperate freely...it is important that the steering committee be representative of all tendencies and individuals...those people who want to take responsibility will be able to do so (in the broad steering committee). There are talented people who want to do work".

The broad steering committee motion was passed.

A March 1 or 4th action date was proposed. The SWP people called for a mass demonstration.

It was announced that JOHN LENNON had offered entertainment. One route proposed was a march from Columbus Circle to Bryant Park, or Central Park.

Someone suggested that all British people, and all British organizations be harrassed, as the Jewish Defense League does with the Soviets.

A boycott of British goods was proposed.

It was suggested that the Irish ask the Chinese in the Hotel Roosevelt (Red Chinese) to talk to NIXON when he is in Peking. This idea was strongly put down.

Three members of the SWP (if not more) were named to the steering committee: RAY "MARKY" (1930-local of the New York Public Library System), GENE "BERTINE" of Local 1199, and NAT LONDON, formerly of the Peace Action Coalition. In all 28 names were accepted for the committee.

The Irish Republican Clubs are aware of the presence of SWP people, and they are watching them. MARY COTTER was a spokesman for the Irish group, and she's a SWP person (this occurred at a BOAC demonstration previous to this meeting), and as such served the interests of the Irish group rather than the SWP.

This is the first sign of tightening in the open house procedure that has prevailed.

One Michael LNU, acting as front man for Rennie Davis, John Lennon and Jerry Rubin, came to Washington Square Meth to the NY Office and had a long discussion with William Kittredge about what was going down. The office will be opened in 2 weeks - 1 month at Handson and 10th Street and will occupy 2 floors there. The staff that was brought from Washington, DC appear to have some problems with the middle leadership (Stu Alpert and Jay Craven in particular). The staff salaries are said to be \$125 per week, and Rubins pressence in the top echelon in confirmed. The bulk of the is coming from Lennon-One.

Renner and Kittredge went to the NYLC loft to see William Smith about 8:00 p.m. and later went to Larry Levy's returning to the church at 1:30 a.m. (1/26/72) Joseph Pissarevsky was in touch with Revolutionary Union, Dia Cooper with LNS, and C. Donham with AIO. The purpose of all these meetings was to discuss a conference format that this group has cooked up and to feel out the various groups vis a vis the Red Balloon people.

Please find some 3" x 5" cards of key contacts in the Southwest PCPJ is conducting a campaign of Pledge signing. The Pledge states that the signee will not support a war candidate. May Day promises that San Diego will be like Washington, but with 100 times the people.

Davis and Rubin still run May Day, but do not wish the public eye to be cast upon them so they are running the party from the background.

John Lennon is working very closely within May Day and there may be a Peace Concert next month in the Boston Garden. PCPJ refuses to pay any taxes, including the phone excise tax. $\#(\omega)$

Tthe Election Year Strategy Information Center (EYSIC) is no longer functioning. The organization ceased to exist approximately the first of March, 1972. Former members Jerry Rubin and Stewart Albert, upon dissolving EYSIC seem to have no definite plans regarding either the Miami Democratic National Convention or the Republican National Convention in San Diego. Rennard Cordon Davis who was also associated with EYSIC was last known to be in Florida. ...

> Jerry Rubin and Rennard Cordon Davis, are both convited defendents of the so called Conspiracy Seven Trial, Chicago, Illinois, in the period September, 1969 thru February, 1970; involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

longer operational. Youth Election Strategy, which started out as a political education arm of EYSIC is presently engaged in the production of films depicting the Automated Military Machinery used in Southeast Asia by the United States Army. The films are designed so as to be shown to demonstrators at the sites of the Republican and Democratic National Conventions. The source advised that John Winston Lennon was formerly associated with EYSIC, however shortly before the organization was dissolved, Jerry Rubin and Rennard Davis were apparently at odds with Lennon due to his excessive use of drugs.

John Winston Lennon. On February 2, 1972, Mr. Raymond Connley, Immigration Officer, Immigration and Naturalization Service (INS) New York City, advised that Lennon, Alien Registration Number A-17597321, first arrived in New York City on August 11, 1968, under a B-2 visitors visa. He subsequently departed the United States, and during his 1971 re-entry was granted another B-2 visa. Lennon is married Yoko Ono, Alien Registration Number A-19489154. They both entered the United States on August 13, 1971 and their visas were due to expire on February 29, 1972.
